

ALLERGEN DECLARATION

Chemicals supplied by Astral Scientific Pty Ltd are provided as raw chemical or botanical ingredients for professional compounding use and are not food products.

Based on information provided by our manufacturers and suppliers, and the nature of manufacture, the Tamoxifen Citrate does not intentionally contain, and is not derived from, the following common allergens:

- Artificial colours
- Carmine Red Colour- Cochineal
- Buckwheat and buckwheat products
- Cottonseed flour
- Oat and oat products
- Rye and rye products
- Soybean and soybean products
- Sorghum
- Wheat and wheat products
- Celery
- Seeds
- Peanut and peanut products
- Tree nuts
- Dairy and dairy products
- Egg and egg products
- Fish and fish products
- Shellfish and shellfish products
- MSG-Monosodium Glutamate

No allergenic materials are intentionally added during manufacture.

Where ingredients are synthetically manufactured, allergen exposure is not expected.

Where ingredients are plant-derived, no allergens are intentionally introduced; however, trace cross-contact cannot be entirely excluded.

This statement is provided based on supplier declarations and standard manufacturing practices and is not a guarantee of absolute absence.

Signed:

Dennis Stapleton

CEO
