

ThixFix™ 100

Instant Topical Thickener

ThixFix™ 100 simplifies the process of thickening emulsions and gels, ensuring efficient results. It can rescue broken topicals, restoring them to an elegant finished product. ThixFix™ 100 delivers the emulsifying and thickening power you need, with a silky finish akin to professionally compounded prescriptions. It is commonly utilized in both pharmaceutical (Rx) and cosmetic applications.

SKU	Size	NDC/Reference No.
B0208-95	120 mL	72467-0208-95
B0208-80	500 mL	72467-0208-80

Highlights:

- ✓ Elegant, silky, smooth texture
- ✓ For both pharmaceutical (Rx) and cosmetic use
- ✓ For thickening topical formulations prone to thinning
- ✓ Rescuing formulations that require thickening
- ✓ Can be used alone as an emulsion thickener
- ✓ Fast thickening/stabilizing effect
- ✓ Anhydrous
- ✓ Low use percentage required (typical starting: 0.25-1%)
- ✓ Stable over wide formulation pH range (2-12)
- ✓ For topical use applications (skin, anal, and vaginal mucosa)
- ✓ Compatible with high solvent content
- ✓ Suitable for polar and nonpolar oils, essential oils, and esters
- ✓ Shear-stable
- ✓ Free of dyes, preservatives, fragrances, sulfates, and parabens
