

Wild Berry

N&A SD Powder Flavor Concentrate (Vegan)

Free-flowing, spray-dried, water soluble wild berry flavored powder concentrate that is convenient and easy to add to numerous oral bases including troches, hard candy type bases, rapid dissolve tablets, pastes, or oral suspensions. Gluten-free, dye-free, vegan compliant. Suggested starting use level 1-2%.

SKU	Size	NDC/Reference No.
F0174-40	100 g	72467-0174-40
F0174-50	500 g	72467-0174-50
F0174-55	1 kg	72467-0174-55

Category	N&A SD Powder Flavor Concentrate (Vegan)
Appearance	Light purple free flowing powder
Description	Water soluble free-flowing powder. Can be incorporated directly into aqueous or water miscible matrix. Relatively temperature tolerant and can be triturated with the API and added to hard candy mixture. Note API or other ingredients degradation temperatures. High temperatures may reduce flavor intensity profile. Addition of a weak acid and sweetener will strengthen the finished product taste profile.
Ingredients	Acacia, natural and artificial flavor extracts. All ingredients contained in these products are approved for use in regulation of the FDA or are listed on the FEMA GRAS list. The natural flavors in the various flavors we carry are proprietary. The natural flavors are composed of various plant based aromatic extractives and are approved for use in the regulation of The Food and Drug Administration and are listed on the FEMA GRAS list.
Allergy	Per the 2004 Food Allergen Labeling and Consumer Protection Act, no allergen declarations are required for this product as relating to milk, egg, tree nuts, corn, fish, crustacean shellfish, wheat, peanuts, gluten, and soybeans.
Technical Data	Shelf Life: Best if used before 24 months from date of manufacture when stored in its original, unopened container in a cool dry place.
Safety Data	All ingredients classified as "Generally Recognized As Safe" (GRAS) and inactive excipient ingredients by the US FDA.
Handling & Storage	Refer to product label for specific storage conditions. Store in a tightly closed container away from heat and direct sunlight. Product can be stored at ambient conditions for temperature and humidity. Product should be kept in a tightly sealed container under dry conditions.
Comments	Contact a SpecializedRx representative for use guidance. MSDS available upon request.
